You will stay informed on upcoming workshops, classes, events, performances and lectures. The Henderson is committed to providing educational programs that assist in preserving and promoting Southwest Virginia's music and craft heritage. The Henderson has methodically worked to introduce, build, then strengthen one program at a time. We have developed unique and desirable offerings that attract visitors, tourists, musicians, and artisans to our community. We thank you, in advance, for your commitment to support this community, our youth and our school system with art and music programs, Saturday classes, events and performances and summer art camps. Thank you for your donation!
